

Implementation of Intraoral Scanning and a Coded Healing Abutment Impression System

ON-DEMAND WEBCAST

PROGRAM DESCRIPTION:

This program will explore current digital technologies and their potential for enhancing dental implant treatment. A simplified impression protocol for fabrication of patient-specific implant-supported restorations will be discussed, as well as the benefits of using an intraoral digital scanner for data capture. Principles for designing CAD/CAM abutments and aesthetic restorations will be presented.

PROGRAM OBJECTIVES:

At the completion of the program, participants should be able to:

- Develop a strategy for using new digital technologies in their practices to achieve more predictable patient outcomes.
- Understand the major aspects of CAD/CAM abutment fabrication, including design principles, clinical procedures, and laboratory procedures.
- Describe how to impress or scan coded healing abutments accurately.
- Explain the benefits of various intraoral scanning systems.

Wael Garine, DDS

Dr. Garine graduated from Cairo University School of Dentistry in Egypt. Dr. Garine joined the Dental School at the University of Western Ontario, in London, Ontario, where he earned his dental degree. He then joined the Eastman Dental Center at the University of Rochester in New York where he specialized in the area of Prosthodontics. Dr. Garine's research in implant dentistry has received several awards and was published in the International Journal of Oral and Maxillofacial Implants. Dr. Garine is the Director of the Seaside Study Club and a clinical assistant professor at the University of Rochester in Rochester, NY. He maintains a private practice limited to prosthodontics and implant dentistry in Jupiter, Florida.

ADA CERP®

Continuing Education Recognition Program

Zimmer Biomet Dental is an ADA CERP recognized provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.

Zimmer Dental Inc.
Nationally Approved PACE Program Provider
for FAGD/MAGD credits.
Approval does not imply acceptance by
any regulatory authority or AGD endorsement.
01/01/2019 to 12/31/2020
Provider ID# 208873

REGISTRATION AND CANCELLATION POLICY: Registration is limited to practicing clinicians. Zimmer Biomet Dental reserves the right to cancel or substitute this program.

TRANSPARENCY REPORTING: All payments and "transfer of value" items provided to health care providers will be reported as required by federal and state laws and regulations. "Transfer of value" items include meals and continuing dental education credits. *The fair market value of this complimentary program will be reported as required under any transparency laws applicable in your region. In the USA, the reportable value per credit hour is USD \$50.

DISCLAIMER: Participants must always be aware of the hazards of using limited knowledge in integrating new techniques or procedures into their practice. Only sound evidence-based dentistry should be used in patient therapy. The information in this course is of a general nature and does not represent or constitute medical advice or recommendations and is for dental education purposes only. Zimmer Biomet Dental does not practice medicine or dentistry. Each clinician should exercise his or her own independent judgment in the diagnosis and treatment of an individual patient, and this course and information does not purport to replace the comprehensive training clinicians have received.
