

Peri-implant Health and Complication Management

ON-DEMAND WEBCAST

PROGRAM DESCRIPTION:

This program will thoroughly review current knowledge about the causes of peri-implant disease. Emphasis will be placed on recognizing complications related to peri-implant mucositis, peri-implantitis, and cement-induced peri-implantitis, as well as treating ailing and failing implants. Prevention of problems before they develop will be stressed, including the selection of an implant system to help mitigate the risk of peri-implant disease.

PROGRAM OBJECTIVES:

At the completion of the program, participants should be able to:

- Recognize the signs of peri-implant mucositis, peri-implantitis, and cement-induced peri-implantitis.
- Develop maintenance programs for their practices that are designed to prevent development of peri-implant disease.
- Understand the factors in implant design and use that can minimize the risk of peri-implant disease developing.
- Discuss the options for treating peri-implantitis including resective and regenerative approaches.

Alan Meltzer, DMD, MScD

Dr. Meltzer received his dental degree from the University of Pennsylvania and his Masters in Periodontics and Oral Medicine from Boston University, School of Graduate Dentistry. He is a Diplomate of the American Board of Periodontology and the International Congress of Oral Implantology. Dr. Meltzer is a Fellow of the Academy of Osseointegration, where he served on the Research and Education Committees. He is a past director of Graduate Periodontology at Temple University Dental School and a past clinical professor in the Department of Post-Graduate Periodontics and Periodontal Prosthetics at the University of Pennsylvania. Dr. Meltzer maintains a private practice in Voorhees, New Jersey.

ADA CERP®

Continuing Education Recognition Program

Zimmer Biomet Dental is an ADA CERP recognized provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.

Zimmer Dental Inc.
Nationally Approved PACE Program Provider
for FAGD/MAGD credits.
Approval does not imply acceptance by
any regulatory authority or AGD endorsement.
01/01/2019 to 12/31/2020
Provider ID# 208673

REGISTRATION AND CANCELLATION POLICY: Registration is limited to practicing clinicians. Zimmer Biomet Dental reserves the right to cancel or substitute this program.

TRANSPARENCY REPORTING: All payments and "transfer of value" items provided to health care providers will be reported as required by federal and state laws and regulations. "Transfer of value" items include meals and continuing dental education credits. *The fair market value of this complimentary program will be reported as required under any transparency laws applicable in your region. In the USA, the reportable value per credit hour is USD \$50.

DISCLAIMER: Participants must always be aware of the hazards of using limited knowledge in integrating new techniques or procedures into their practice. Only sound evidence-based dentistry should be used in patient therapy. The information in this course is of a general nature and does not represent or constitute medical advice or recommendations and is for dental education purposes only. Zimmer Biomet Dental does not practice medicine or dentistry. Each clinician should exercise his or her own independent judgment in the diagnosis and treatment of an individual patient, and this course and information does not purport to replace the comprehensive training clinicians have received.
